 No Preference
 Jeddah (Western) - KAMC
 Dammam (Eastern) - Al Imam Abdulrahman Bin Faisal Hospital

GENERIC CLINICAL CHECKLIST

AREA - URGI CENTER AND ER OBSERVATION

IMPORTANT

Before proceeding with this Skills Checklist, please read the following statement:

Demonstration of skills stated will be expected during your 90 days probationary period. Inability to demonstrate the skills stated will result in termination of your employment during the probationary period.

I have read the above statement, and I acknowledge my **clear understanding** of this statement.

Name: _____ Signature: _____ Date: _____

AIM OF CHECKLIST:

This checklist will be used to assess your suitability for placement. Provide additional information as needed to facilitate a comprehensive review of your skills and experience.

EXPERIENCE KEY: (Patricia Benner's Model of Nursing Skills Acquisition - "Novice to Expert")

- 1 - **Novice** - no background experience related to this function
- 2 - **Advanced Beginner** - sufficient knowledge to understand the contextual nature of the function, able to perform routine functions independently, requires assistance when setting priorities in complex situations.
- 3 - **Competent** - views actions as part of an over-all plan, knows what aspects of current and contemplated situations are most important, needs to gain speed and flexibility to be proficient.
- 4 - **Proficient** - perceives situations and functions as a whole, has knowledge of the typical events to expect in a given situation and the appropriate responses, flexible in decision making.
- 5 - **Expert** - enormous background and experience, can grasp situations intuitively, mastery in performance, incorporates elements of innovation and creativity in clinical experience.

FREQUENCY KEY:

- 1 - Never performed the skill
- 2 - At least once or twice a year
- 3 - At least once per month
- 4 - At least once per week
- 5 - At least daily

How Often Do You Care For The Patient with the following ACUTE Surgical Conditions?
